To all
Participants in the
Stockhausen Courses Kuerten 2007

Important general information

12. Juni 2007

Dear participant!

As mentioned in the confirmation of your admittance to the courses, I would like to give you some important information before you travel to the *Stockhausen Courses Kuerten 2007*.

Arrival

Arrival at the *Stockhausen Courses Kuerten 2007* should be planned for between July 5th and July 7th. The organisation office, located at the school, will be open on **July 5th and 6th between 10 a.m. and 8 p.m.** and on **July 7th between 10 a.m. and 5 p.m. (phone: +49-(0)2268 / 913636)**. I kindly ask you to personally register there as you will then receive the necessary materials and information for participation in the courses. Moreover you will be accompanied to your lodging.

Please inform me by **June 29th** at the latest of your approximate time of arrival, so that I can inform the place where you will be staying (your arrival time at the airport is sufficient). It's really important, that I'm informed about your exact arrival hour, because after 8 p.m. it's more difficult to get us in the organisation office. Please note the information about public transportation schedules for travel from the airports near Kuerten (Duesseldorf, Cologne/Bonn, Frankfurt) to the Cologne train station and from there to Kuerten (www.stockhausen.org/stockhausen_courses.html). Up to **July 5th** you can call my mobile phone (+49-(0)163 / 3715499) for urgent situations.

Lodging

Almost all of the participants in the *Stockhausen Courses* will be residing in Kuerten. You have indicated preferences concerning lodging – private, apartment, or hotel – on your application form for the courses. Either by ordinary mail or by eMail you will receive a personal info soon, on which you will find the name, address and telephone number of your lodging, if it has already been assigned. If it has not yet been assigned, you will receive this information upon your arrival in Kuerten. It is especially important for those who will be living in an apartment or with a host family to immediately report to the organisation office upon arriving in Kuerten. **Please do not go to your lodging address as indicated on your info sheet indepently.**

Although I have done my best to respect all of your wishes, it was not always possible – due to the limited amount of private lodging available – to respect the wishes of all those wishing to have private lodging. I apologise in case your wish could not be respected. If you do not feel comfortable, we will, of course, try to find a better solution in Kuerten.

If you are staying in private lodging, please remember that you are the guest by a family and that your host will associate you with the Stockhausen Courses. Therefore please practice normal courtesy and for instance tell them when you will be out late, etc.
